## EVANGELISTIC CAMPAIGN BEGUN

Believed Chapman Revival at Washington Will Have County Wide Effect

OPENING IS AUSTRICIOUS

Having started Sunday, Dr. Wilbur Chapman, one of the best known evangelists of the land, with his large corps of helpers is engaging in an evangelistic campaign at Washington. The campaign is expected to develop into a county wide revival of interest in religious affairs. Associated with Dr. Chapman, among others is Charles M. Alexander, the famous song leader.

For the campaign a large tabernacle is being used, having been erected by a union of Washington church people. The evangelistic campaign is being conducted as an organized effort something after the plan which made Billy Sunday revival meetings in Pittsburg the remarkable success they were.

On the opening night the tabernacle was crowded and the same has been true every night since. The meetings give every indication of being the biggest in the line ever held in the county. They represent the efforts of Washington church people continued for a period of about two years.

## CLAIM WITNESS WAS INTERCEPTED

Probably the most spectacular of the many sensational incidents connected with the government probe of the brewers of their political activities before the federal grand jury came to light Friday night when it became known that James P. Mulvihill, leader of the brewers in this state, is alleged in person to have intercepted Miss Katherine Gallagher, aged 17, typist in the office of the Pennsylvania Brewers' association in Philadelphia at East Liberty station on her arrival to testify for the government.

Miss Gallagher, government officials have learned was taken in the Mulvihill automobile and rushed to the office of Attorney George E. Shaw, counsel for the brewery association, before being taken to the request of Attorney Humes in order to permit him time to go over the tests sent to meet Miss Gallagher at timony.

Union station waited in vain. On Miss Gallagher's arrival at the Federal building Attorney Humes, who is directing the government probe, held a half hour conference with her in his office and twice during the afternoon she was called before the grand jury. Once when she came out she was crying. It is also understood that two mysterious witnesses called before the grand jury late in the day were the conductor and porter on the Pullman of the train which Miss Gallagher traveled.

The hearing of the argument in the contempt proceedings against officials of the United States Brewers' association was postponed Friday afternoon until next Friday at the request of Attorney Humes in order to permit him time to go over the tests sent to meet Miss Gallagher at timony.

**A YEAR OF STRIKES.**  
Various causes contributed to unprecedented labor disturbances during the last year. A report just made public by Secretary of Labor Wilson at the national capital shows that fourteen hundred strikes took place in the United States in 1915. That number was three hundred in excess of states the Beaver Times.

From data just compiled, it is shown that most of the disputes between employer and employee were reported from the northeastern part of the country, with New York, Ohio, Massachusetts and Connecticut principally affected.

New facts as to the character of disturbances reported in December, now made public for the first time, show that the metal trades provided the largest number of labor troubles. Thirty-five strikes and lockouts in this field were reported. Ten of these were among machinists. Twenty-two disputes arose in the clothing industries, eleven in the textile organizations. Nine disputes each took place in the building trades and among the miners.

Demands for wage increases were made in twenty-one of the December strikes. Other causes were: Demand for reduced hours, presence of non-union workmen and discharge of employees.

### Climate Failed; Medicine Effective

Sufferers from Tuberculosis often think that medicine will not help them. Fresh air, regular habits and good food aid in restoring health, but more often needed. Always have been referred to health by Eckman's Alternative Read this—Weldon, Ill.—"Patients—Through your instrumentality I have been saved from premature grave. On December 14, 1904, I was taken with Typhoid Pneumonia, which developed into Tuberculosis (bacilli were found). In February, 1905, I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 163 pounds, the doctor said I had no chance of recovering there alive. On July 14, 1905, I began taking Eckman's wonderful remedy for Lung Trouble. Now I am stout and well and can do any kind of work about my grade easily."

Yours truly,  
**CHARLES WEBB.**

# How to avoid Operations

These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they should be the last resort for women who suffer with ills peculiar to their sex. Many letters on file in the Pinkham Laboratory at Lynn, Mass., prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's Vegetable Compound. Here are three such letters. All sick women should read them.

Marinette, Wis.—"I went to the doctor and he told me I must have an operation for a female trouble, and I hated to have it done as I had been married only a short time. I would have terrible pains and my hands and feet were cold all the time. I took Lydia E. Pinkham's Vegetable Compound and was cured, and I feel better in every way. I give you permission to publish my name because I am so thankful that I feel well again."—Mrs. FRED BEHNKE, Marinette, Wis.

Detroit, Mich.—"When I first took Lydia E. Pinkham's Vegetable Compound I was so run down with female troubles that I could not do anything, and our doctor said I would have to undergo an operation. I could hardly walk without help so when I read about the Vegetable Compound and what it had done for others I thought I would try it. I got a bottle of Lydia E. Pinkham's Vegetable Compound and a package of Lydia E. Pinkham's Sanative Wash and used them according to directions. They helped me and today I am able to do all my work and I am well."—Mrs. THOS. DWYER, 939 Milwaukee Ave., East, Detroit, Mich.

Bellevue, Pa.—"I suffered more than tongue can tell with terrible bearing down pains and inflammation. I tried several 'doctors' and they all told me the same story, that I never could get well without an operation and I just dreaded the thought of that. I also tried a good many other medicines that were recommended to me and none of them helped me until a friend advised me to give Lydia E. Pinkham's Vegetable Compound a trial. The first bottle helped, I kept taking it and now I don't know what it is to be sick any more and I am picking up in weight. I am 20 years old and weigh 145 pounds. It will be the greatest pleasure to me if I can have the opportunity to recommend it to any other suffering woman."—Miss Ida FROELICHER, 1923 Manhattan St., North Side, Bellevue, Pa.

If you would like special advice write to Lydia E. Pinkham Med. Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## FIREMEN'S BENEFIT CONTEST DRAWS WELL

High School Basketball Team Wins Game But Struggle is Fast and Interesting—C. Lowstuter Leading Point Getter.

In a benefit game for the Charleroi Fire Department the Charleroi high school team proved too much for the firemen Friday night at the high school gymnasium, winning by the score of 48 to 22. A good sized crowd attended the game and a near sum was realized for fire department work.

The rivalry existing between the two teams was due to the fact that in the last few years the firemen in their annual game have won usually by a single point.

In the Friday night struggle high school took the lead early and held it throughout. At the end of the first half the score was 19 to 12 favor high school.

In spite of a certain roughness the game was fast. "Chuck" Lowstuter was the chief point getter, scoring 16 points all on field goals. Fiedler followed with four field goals and seven fouls. Ryland caged three field goals. He was removed from the contest upon receiving a deep cut above the eye. The guarding of Miksch and Stahlman was close and they also featured in the scoring. Miksch having three and Stahlman two field goals. Hill and Dickson proved worthy substitutes to Ryland and C. Lowstuter.

For the firemen Hudspith led in point getting, with 12 points to his credit. E. Lowstuter played a good game at forward and caged four field goals. The guarding of Henry Lowstuter was a feature. Riggs, Hepler, Delfosse and A. Hudspith all played good games. Lineup:

High School—48	Firemen—22
C. Lowstuter	F G. Hudspith
Fiedler	F E. Lowstuter
Ryland	C Hepler
Stahlman	G Riggs
Miksch	G H. Lowstuter

Substitutions—Miksch for C. Lowstuter, Hill for Ryland, Dickson for Miksch, Delfosse for Hepler, A. Hudspith for Riggs, Linn for H. Lowstuter.
